

Plus/Minus, One Day You'll Be There

You're sailing through the air to nowhere
the trajectory unclear
but it feels like it's somewhere
don't really care if you land or you fall
because it's not up to you
don't you know that it should be?

Sign on the dotted line for an unlimited time
but you still won't know

You feel a hundred feet tall
you see all the things that you could do
but they're not what you're doing
Everyone knows where you stand
but you can never see it for yourself
Don't you know that you should be?

Sign on the dotted line for an unlimited time
but you still won't know.
