Plus One, A Prayer For Every Year

Do you remember me long ago on bended knee?
I prayed to You with childhood fantasys.
Well, I'm all grown up now.
Can You still help somehow?
I'm not a child but my heart still can dream.
Please hear my prayer tonight
And help me do what's right.
Not for myself but for the world in need.

No more lives torn apart.
That wars would never start.
And time would heal all hearts.
Every man would have a friend.
And right would always win.
And love would never end.
This is my prayer for every year.

May kindness rule our lives.
Not just the strong survive.
Sweet tears for all the thousand years gone by.
This is the world, I pray, we will share someday.
And we begin by reaching out my hand.

No more lives torn apart.
That wars would never start.
And time would heal all hearts.
Every man would have a friend.
And right would always win.
And love would never end.
This is my prayer for every year.

Woo
What is this illusion called?
The innocence of youth.
Maybe only in that fine belief will we ever find the truth.

No more lives torn apart. (torn apart)
That wars would never start. (never start)
And time would heal all hearts.
Every man would have a friend.(have a friend)
And right would always win. (always win)
And love would never end. (never end)
This is my prayer for every year.
This is the prayer I hope you'll hear
This is my prayer for every year
hmmmm...
