

Plus One, Here In My Heart

Wherever you are tonight girl
I'll see you in my dreams
Wherever I go tomorrow
You'll be here next to me

And though we are a world apart
I know you'll never be that far
Oh, noo

Chorus:
Cause here in my heart
There's a picture of us
Together forever unfaded and unbroken
Wherever you are
Your love covers me
Forever more
You'll be here in my heart

Oh yeah
Whenever I miss, miss you so much
It's more than I can bear
Now, I won't cry
I'll just close my eyes
And know you'll be there

Your kiss and your touch
I'll never forget
Cause you're as close
As my very next breath

Cause here in my heart
There's a picture of us (Oh yeah)
Together forever (forever) unfaded and unbroken (unbroken)
Wherever you are
Your love covers me (Your love covers me)
Forever more (Forever more)
You'll be here in my heart

Oh, ooh
And though we are a world apart
I know you'll never be that far

Chorus:
Cause here in my heart
There's a picture of us (Of us, yeah)
Together forever (forever, yeah yeah yeah)
Unfaded and unbroken (And unbroken)
Wherever you are (Who!)
Your love covers me (Your love covers me)
Forever more (Forever more)
You'll be here in my heart

Ooh
My heart...
