

Plus One, I Will Rescue You

"When your days are dark
and your nights are cold,
when you've just about
lost all your faith.
When your will is gone
and your heart is torn
'Cause nothing is going your way,
when the world has
got you trapped
and you can't find that open door,
if you're ever in a battle
and you just can't fight no more,

CHORUS:

I will rescue you,
I will rescue you.
I will shelter you from the rain.
I will dry your tears,
cast away your fears,
and bring you to brighter days.
Whenever you're lost and confused,
like a fairy tale come true,
I will rescue you.

If you ever feel
that you can't go on,
when your life just
becomes too hard,
and the dreams you thought
were within your reach
suddenly seem so far.
When the world is on your case
and you don't have
a place to run,
if the storm keeps getting stronger
and you cannot see the sun

CHORUS

And it don't matter where you are
I'll be by your side,
I'll be the rock that you can lean on,
I'll be your guide.

CHORUS

Just reach for me
and I will rescue you.
