

# Plus One, Sea Of Angels

"It takes my breath like a cheap perfume  
And leaves me tears  
And everyone under the moon  
Knows it's here  
Like a dream where you can hardly move  
So paralyzed  
I could decide to let the fear abuse  
Or realize  
That there's another world unseen  
It opens when your heart believes

Chorus:  
We are all surrounded  
Swimming in a sea of angels  
We are not forgotten  
And we will win because you send your angels  
Send your angels, my Lord, my Lord)

Stretching out across the sky  
Till I can't count  
The scenery before my eyes  
I drop my mouth  
How could I ever let this site  
Slip my mind  
You are the source of the ones in flight  
So raid the sky  
And take away the blinding tear  
Let us always know you're here

Chorus

Pick me up Lord, pick my up Lord (8x)

Chorus

Take me away, away from here, my Lord (repeat)  
My Lord

Rain down, won't you link me to your grace  
Rain down and I'll like you to my faith  
(repeat)"
