

# Pocket Change, Remain

Feeling so frustrated.  
Haven't felt so jaded.  
22 and fading.  
At least I'm still relating.  
(Chorus:)  
Nothing here had changed  
and you can't make me happier than I was then.  
This life might me changing.  
At lease I still remain.  
You're all I ever wanted but too intense.  
Can't stand it.  
Take me as I am girl cause you're all I've got girl.  
(Chorus:)  
Through all the pain, I still remain.
