

Poco, Call It Love

Tonight I'm gonna break away
Just you wait and see
I've never been imprisoned by
A faded memory
Just when I think I'm over her
This broken heart will mend
I hear her name and I have to cry
The tears come down again

CHORUS:

It happens all the time
This crazy love of mine
Wrapped around my heart
Refusing to unwind
Ooh-ooh, crazy love, ah...
Count the stars in the southern sky
That fall without a sound
And then pretend that you can't hear
These teardrops coming down

CHORUS

Tonight I'm gonna break away
Just you wait and see
I've never been imprisoned by
A faded memory

CHORUS

Tonight I'm gonna break away...
