

# Poco, Make Me A Smile

(R. Furay/J. Messina)

Maybe someday I can trade you a smile  
Makin' love, a dream that's worthwhile  
I've been watchin' you like a mother and child  
What you're feelin', oh  
What you're feelin'  
Make Me A Smile

Yellow ribbons stream through your hair  
Such a feelin', now, don't leave me there  
You make it so hard for me not to stare  
What you're feelin', oh  
What you're feelin'  
Please make me aware

BRIDGE:

Lover, come on, I can see suddenly  
Changes in you, you're smilin' at me  
Lover, belong only to me  
Arrange your sweet tune to make harmony  
(Repeat bridge)  
(Repeat first verse)
