

# Poco, Short Changed

(Richie Furay)

Short Changed

I got to hand it to you

Bloodstained

My hands were tied 'cause of you

Can you feel the pulse of my soul drivin' you home

Isn't it lonely

Tryin' to think back over the times when my love was all

But you didn't know me

My friend

Your scheme was so well devised

Sufferin'

What was behind your disguise

Can you feel the pulse of my soul drivin' you home

Isn't it lonely

Tryin' to think back over the times when my love was all

And you didn't know me

Short Changed

I got to hand it to you

Bloodstained

My hands were tied 'cause of you

Can you feel the pulse of my soul drivin' you home

Isn't it lonely

Tryin' to think back over the times when my love was all

But you didn't know me
