Podunk, Damn Good Day

Today I feel so alive Better than I ever did before It must be a good day to die Cause lately I can't seem to get enough

And if I could, you know I would

Damn good day to die Damn good day to die Damn good Damn good day

Today I feel so fine Better than I ever did before It's got to be a good day to die I do believe I found me a new love

And if I could, you know I would Because it feels good

Damn good day to die

Everything is wonderful Everything is wonderful Everything's so beautiful Everthing is beautiful

Damn good day to die
