

Podunk, Glad You're Gone

I say hold on, what are you trying to do
I've done been down that road before
And I ain't going back with you

I'm so glad you're gone
Glad you're gone, glad you're gone

I say moving on, well that's what i'm trying to do
I'd kick down the doors of the devil himself
If it would keep me away from you

I'm so glad you're gone
Glad you're gone, glad you're gone

There's nothing in this world I would not do
Just to stay away from you
So tell me is that so wrong, to be glad you're gone

I say hold on, what are you trying to do
I've done been down that road before
And I ain't going back with you

I'm so glad you're gone
Glad you're gone, glad you're gone
