

Podunk, Talk with an Angry Man

What a day
Even better than tomorrow
There's no poor in breath
Unless there's no breath to swallow
I just thought you'd want to know
I just thought you'd want to know

What a day
I spent most of it laughing
There's no thirst in friends
When your cup is over running
I just thought you'd want to know
Yeah, I just thought you'd want to know

You can hate all day long
You'll be right and never wrong
And while your cup dries to the bone...
I just thought you'd want to know, yeah
