

# Poe, Make A Wish

You can close your eyes it's over now.  
It's over now,  
You can close your eyes it's over.

Baby, baby, baby,  
Make a wish.  
Tell me have, you ever been afraid like this?  
(It's over now)

I've seen it watching me,  
That misty thing,  
Without a face.  
It weaves my thoughts,  
Lined them up in black lace.  
It buries my shape,  
And leaves no trace.

Tomorrow I will have no shame,  
And I will start again.  
Make a wish.  
Tell me have, you ever felt alone like this.  
(Over now)

Better do it sure.  
Just wishing,  
I could move in some more.

Tomorrow I will have no shame,  
And I will start again.  
Make a wish.  
(You can close your eyes it's over now)  
Baby I, have never been afraid like this.  
(You can close your eyes it's over now)  
Make a wish.

I took off my shoes,  
I took off my face,  
And then I undid, the buttons on my dress.  
(I will start again)

Make a wish.  
(You can close your eyes it's over now)  
Tell me have, you ever been exposed like this?  
(You can look into your mind)  
Baby, baby, baby,  
Feels like a kiss.  
(You can close your eyes and start again)  
I bet, you never thought that I could feel like this

Tomorrow I will have no shame.  
Tomorrow I will have no shame.  
Make a wish.
