

Poe, Padre Fear

I'm sorry. The number you have reached has been disconnected.

Are you afraid of love,
Are you afraid of me,
Are you afraid of love,
Is that why you retreat,
Are you afraid of me?
Angel calling the angels here,
Angels calling the angels here,
Angels calling the angels here,
Are you an angel too? {...party has been disconnected.)
Are you,
'Cause I would love but nobody's home.

Are you (are you) afraid (afraid) of love (of love),
Are you (are you) afraid (afraid) of memory (of memory),
Are you afraid of what you cannot see,
Are you (are you) afraid (afraid) of love (of love),
Are you (are you) afraid (afraid) of me (of me),
Are you afraid of being free?

Angels calling the angels here,
(I'm sorry. This number has been disconnected.)
Angels calling the angels here,
Angels calling the angels here,
Are you an angel too?
Are you, (I'm sorry this number has been disconnected.)
'Cause I would love but nobody's home.

And some midnight when I'm howling at the moon,
It's midnight and I'm howling for you.
Are you afraid of love,
Are you afraid of love,
Angels calling the angels here,
Angels calling the angels here,
Angels calling the angels here,
'Cause I want love but nobody's home.

It's midnight...It's midnight...
