

Pogues, Love You 'Till The End

I just want to see you
when your all alone
I just want to catch you if I can
I just want to be there
When the morning light explodes
On your face it radiates
I cant escape
I love you till the end

I just want to tell you nothing
You dont want to hear
All I want is for you to say
Why dont you just take me
Where I've never been before
I know you want to hear me
Catch my breath
I love you till the end

I just want to be there
When were caught in the rain
I just want to see you laugh not cry
I just want to feel you
When the night puts on its cloak
I'm lost for words dont tell me
All I can say
I love you till the end
