

# Poi Dog Pondering, Postcard From A Dream

-----  
Before your lights quite fail  
And you fall spinning singing from the same song  
Pass your hand before me  
Palm shining, light streaming  
Speak to me your lips touch  
Crackle light water spilling  
tumbling down  
Sing to me lull softly call quiver  
Dream to me like a flame flicker  
Shimmering Shimmering mirage like vision  
of tranquility  
Honeyflower sing suckle  
oh so sweetly call to me  
lure linger please  
lure linger, lure linger  
Cover me with your hands unfolded  
wrapped around, held like a ball  
Think of me -- put all your self inside me  
Then send me spinning into the sun  
Dreams dreamt and thoughts thunk  
Tooth brushed and watch wound  
Before toast and tea  
Before toast and tea  
"Breakfast!" Good morning everybody,  
The sun is up and there's lots of toast and jelly  
Wash Wash, you gotta wash the dishes  
If you're gonna eat upon 'em, ya gotta wash 'em.  
You can get it if you really want,  
you gotta try hard, try hard  
(P.S. Keep on the sunny side)
