

Point Of Grace, Drawing Me Closer

It's the hope I know, the grace you show
That drawing me closer, drawing me closer
It's the peace I feel, it's your love so real
That's drawing me closer (repeat)

I'd be lost here inside myself
I'd be nothing without You
If Your ways didn't pull me in
Like they do

(Chorus)
It's the hope I know, the grace you show
That drawing me closer, drawing me closer
It's the peace I feel, it's your love so real
That's drawing me closer
And my heart beats with pure amazement
Every time I fell the tender touch of your love
Drawing me closer

Tell me how when You hold me near
I can feel so free
Where would I be if not for You
Moving me

(Chorus)

Your love
I can hear your voice it's calling me
To the shelter of Your arms
It's the hope I know, the grace You show
That's drawing me closer
It's the peace I feel, it's Your love so real
That's drawing me closer

(Chorus)

Your love
Drawing me closer, closer, closer
Hey, hey now hear your voice it's callin me
Hey, hey now drawing me closer
Hey, hey now Everybody come and see
Hey, hey now yeah
Drawing me closer
Hey, hey now...
