

# Point Of Grace, Gather At The River

Sometimes we don't see eye to eye  
We don't agree, we don't know why  
But Jesus prayed that we'd be one  
So for the sake of God's own Son  
Can we put away our differences  
Lay down our pride  
I think it's time we start turning the tide

[Chorus:]

Shall we gather at the river of forgiveness  
Come together at the waters of love  
Flowing like a fountain from the mercy giver  
Shall we gather at the river

We have all made enemies of  
The ones we're called by Christ to love  
But there's redemption at the riverside  
The water's deep, the water's wide  
It can wash away our bitterness  
The current is strong  
I think we've been out in the desert too long

[Chorus]

We can wade into the middle  
Where the healing waters flow  
It only takes a little  
To heal a wounded soul  
It will only bring us closer  
Than we've ever been before  
This is just what Jesus was praying for
