

# Point Of Grace, My God

All my life You have been with me,  
How could I, pretend not to see.  
I was walkin on a line,  
I was wasting precious time.

All I know is that You love me!  
If I call, you will set me free.  
It's a promise that You made,  
It's the truth that will not change.

Ooh please help me to remember...

(chorus)  
My God has never let me down,  
My God has turned my world around.  
He loves me even though I know I don't deserve him!

My God has never turned away,  
He's with me every single day!  
He's broken all the chains and set this captive free.

Seems to you, all your hope is gone,  
Never found a love that strong!  
It's a chance you have to take!  
A choice you've got to make.

I hope that you'll remember...

(chorus)  
My God will never let you down,  
My God can turn your world around!  
He loves us even though I know we don't deserve him!

My God will never turn away,  
He's with you every single day!  
He's broken all the chains and set this captive free, yeaaa!

ahhhhhh,hhuuuhh

My God will never let you down,  
My God can turn your world around!  
He loves us even though I know we don't deserve him!

My God will never turn away,  
He's with you every single day!  
He's broken all the chains and set this captive free, yeaaa!

My God has never let me down,  
My God has turned my world around.  
He loves me even though I know I don't deserve him!

My God has never turned away,  
He's with me every single day!  
He's broken all the chains and set this captive free.
