

Point Of Grace, My Heart Is Set On You

Written by Gayla Borders, Jeff Borders

Chorus

My heart is set on You

Oh, my heart is set on You

No other love will do

Oh, my heart is set on You

I'm placing my life safely in Your keeping

Knowing Your love is here to stay

I'm holding on to You no matter what I'm feeling

Ever always

Chorus

When I'm alone, I know You there beside me

Feeding me on for all days

Wherever I go I know Your hand will guide me

Ever always

Nothing else will do Your love is better

My hearts set on You forever and ever

Nothing else will do 'cause Your love is better

My heart's set on You forever and ever

Chorus
