

Point Of Grace, The Love He Has For You

Words by Dave Clark & Shelley Phillips Music by John Mandeville

When you're living for the love of
A lifetime
You wonder if the waiting will ever end
And the right from the wrong
That you've guarded so long
Is closer than it's ever been
But sometimes a moment of weakness
Can sacrifice the treasure of time
And cause you to miss the miracle
That God longs for you to find

(Chorus)
There's a love He has for you
There's a heart that He's been saving
There's a joy beyond all measure
That only comes from waiting
There's a love He has for you
It's more than the hope you're holding to
And you will find the only love that's true
Is the love He has for you

When you're torn between today
And tomorrow
And holding out for something you
Cannot see
There's a strength you can find
Knowing in God's own time
You'll discover what He meant to be
'Cause love like the Father intended
Is more than just a state of the heart
So don't give up hope in the holding on
'Cause no matter who you are

(Repeat Chorus)
