

Point Of Grace, When Love Came Down

Chorus

Close your eyes and share the dream
That everyone on Earth believe
A Child was born the stars shown bright
And love came down at Christmas time
And love came down at Christmas time...

Christmas Eve 2 a.m. heavy snow is falling down
And the streets clothed in white
Echo songs
That were sung by candle light.

Oooo Oooo

We're alive we can breathe but do we
Really care for this world in need?
There's a choice we must make
Each and every day.

Chorus

So Merry Chirstmas everyone
And peace throughout the year
The time has come to celebrate
So let your voices fill the air.

Everyone watch and pray that the sun
Will shine a brighter day
Join your hands lift them high for this gift of life.
When love came down at Christmas time
When love came down at Christmas time..
When love came down at Christmas time..
When love came down at Christmas time..
