

# Point Of Grace, Without The Love Of Jesus

Some think it all comes down to fate and circumstance  
Life falls somewhere between accident and chance  
Some seek solutions to the problems they face  
By hoping maybe someday, somehow it will all fall in place  
We keep persisting  
Still something is missing

CHORUS  
WITHOUT THE LOVE OF JESUS  
THE STARS WOULDN'T SHINE  
RIVERS WOULDN'T RUN  
AND HEARTS BEAT OUT OF TIME  
WITHOUT THE LOVE OF JESUS  
TELL ME WHERE WOULD WE BE?  
LOST ON A LONELY SEA  
WITHOUT THE LOVE OF JESUS

There's so much more to life than meets the naked eye  
It's no coincidence, no matter how we try  
When we try to deny what we don't understand  
Maybe that's when we fail to see God's providential hand  
We keep persisting  
Still something is missing

CHORUS

It shouldn't take us a miracle  
Before we finally see  
That Jesus' love is the only thing  
That we will ever need

CHORUS
