

Point Of Grace, You Are The Answer

VERSE 1

They line the wailing wall
The masses fill up St. Peter's square
Confessions, emotions spill out of desperate prayer
I know they're not alone
They've come to face the penitence stone
I hear the voices
The souls in need of you
cause.....

CHORUS

You are the answer
And the meaning of life
To hearts in darkness
You're the source of the light
As we walk this human road
Every question will find
You are the answer

VERSE 2

Across the playground yard
Another future society
Living and learning the way its supposed to be
The days of truth grow dim
Your hand must reach down and write in them
The message of hope
That can only be found in you
cause.....

CHORUS

You are the answer
And the meaning of life
To hearts in darkness your the source of light
As we walk this human road
Every question will find
You are the answer

BRIDGE

You shined your light in me
When I had no way
Rescued my dieing heart
That I could not save
And not just for me
but for the world today

CHORUS 4 TIMES
