

Poison, Ride The Wind

Hearts of fire
Streets of stone
Modern warriors
Saddle iron horses of chrome
Taste the wild
Lick the wind
Like something they never saw before
Their jaws dropping to the floor
Steel made of soul and sin
Rebels born without a care
Ant the day he listens
Only to fly where eagles dare
And the nights she whispers

CHORUS:

Ride the wind never coming back
Until I touch the midnight sun
Until I touch the midnight sun
ride the wind never coming back again
Until I touch the midnight sun
Painted flesh, loyalty, humble pride
Just as far as the eye can see
Stories told
two old friends
Of battle scars and lonely bars
And nights the rain wouldn't end
Here's to withered eyes wearing gypsy smiles

And the day he listens
Here's to lovely ladies and a million miles
And te night she whispers
Ride the wind never coming back
Until I touch the midnight sun
Until I touch the midnight sun
ride the wind never coming back again
Until I touch the midnight sun

SOLO:

Of all the truths and lies
And stories of riders in the sky
They say only the bravest try
Where eagles and angels dare to fly
Ride the wind never coming back
Until I touch the midnight sun
Until I touch the midnight sun
ride the wind never coming back again
Until I touch the midnight sun
