Poison The Well, 12/23/93

Gouge out my eyes / pestilence lack of love binds / propagate / the strife you desire keep me from forced self depiction / abhorate self assured I am no more / take this away from me once more / thirsted for something that never existed / Complacent / I am abomination / I replace absence of malice / sew my mouth shut the silent sound of the end / I drown in tears Sinking in dreams / Of what I once owned I avoid the setting of the sun [x2] Memories fade as you did once before Stole hope from right under my eyes Accomplice of my death
