

# Poison The Well, Slice Paper Wrists

When you read this / I will not be the same  
I have let my true form show  
this is my last / lost in all my guilt  
for letting you fall / understand it wasn't me  
but I can't dream without showing intentions  
as I ask these questions / where were you  
now I can't see through your eyes  
I remember the day the sun went out  
It halted all progression with all its beauty  
it just sacrificed / we fell apart  
Sincerely yours I've disowned you [x3]  
Sincerely yours I've disowned us
