

Poison The Well, Slice Paper Wrists

When you read this / I will not be the same
I have let my true form show
this is my last / lost in all my guilt
for letting you fall / understand it wasn't me
but I can't dream without showing intentions
as I ask these questions / where were you
now I can't see through your eyes
I remember the day the sun went out
It halted all progression with all its beauty
it just sacrificed / we fell apart
Sincerely yours I've disowned you [x3]
Sincerely yours I've disowned us
