

# Poison The Well, The Realist

Please just this once, do this for me.  
I've seen you in clouded visions saying goodbye.  
I remember when we were gonna sit each other down and explain ourselves.  
Always busy blame myself.  
Your color was blue myself is making me feel that way.  
I apologize apologize you're old enough to take care of...  
If we can't speak go back to your bed so you'll be here when I wake up.  
And I'm worried with no reason why.  
Harm is an acquaintance and says it's not very fond of you.  
Just this once "stay" I say. "I'll see you soon" he says.  
Until you come back I will stay awake.  
Your color was blue myself is making me feel that way.  
I apologize apologize, you're old enough to take care of...
