

Pola Rise, HEAR YOU

Do you wanna play with magic?
Foolish
you're gonna lose control
tumble deeper, deeper
do you wanna drown in silence?
heartless
you can leave it all
become a wisher
wisher

I try to look upon your heart
it's beating slower
and bleeding fast
try to hold back
salty tears
let you die in here

hear you
you're an echo
cannot
let you go
/2x

Fear was the only thing that led you
precautions
took you off the track
showed your weakness
weakness
Life tore your heart out
ruthless
like the longest fight
obvious failure, failure

I try to look upon your heart
it's beating slower
and bleeding fast
try to hold back
salty tears
let you die in here

hear you
you're an echo
cannot
let you go
/2x
