

# Polaris, Saturnine

(Speak 'N Spell:) "You found the earth."

There's only roses in here,  
You're dissatisfied,  
It's like a candy store,  
You're dissatisfied,  
You want everything,  
You're dissatisfied,  
You get everything,  
You're dissatisfied,

(Chorus:)  
Make it mine, all mine, all mine,  
Here's a double dare,  
Take home plate if you can,  
But there won't be anyone there.  
I see sunshine,  
You be saturnine.  
I see sunshine,  
You be saturnine.

You got a Hollywood store,  
Then you freak out,  
In your Shangra-la,  
Well, you freak out,  
You got the whole nine yards,  
But you freak out,  
Yeah you freak out.

(Chorus)

(Muttering)  
Hey!

(solo)

You can't see the sweet things,  
You only see the bad,  
I see sunshine,  
You be saturnine.  
I see sunshine,  
You be saturnine.

You be saturnine...  
You be saturnine...  
Saturnine...
