

Polly Scattergood, Cocoon

From my cocoon of angel's wings
From my cocoon I'm gonna let you in
/2x

They sing of lost electric love
They sing about hope
They sing of givin' up
And then they sing about joy
They sing of pain
They sing about cold metallic blade

From my cocoon of angel's wings
From my cocoon I'm gonna let you in
/2x

They sing of waiting endlessly
They sing about lost eternity
And then they sing about waking of the ?
They sing about being on your own

From my cocoon of angel's wings
From my cocoon I'm gonna let you in
/2x
