

# Pollyanna, Cows Crossing

In the middle when the crane dips down..  
It picks me up and let's go  
You spin me all the way round  
You pick me up and let go

Ahhhh.. It's only a half a lie  
Ahhhh.. It's only a half a lie

In the middle when the crane dips down  
You pick me up and let go  
You spin me all the way round  
You pick me up and let go

Ahhhh.. It's only a half a lie  
Ahhhh.. It's only a half a lie

Only half a lie  
Only half a lie  
See the fishes fly  
Let 'em go

Only half a lie  
Only half a lie  
See the fishes fly  
Let 'em go

Let 'em go...
