

Pollyanna, Frail

Smash and burn, It's sellout time
Pungent stench of yellow
In this house these thoughts are mine..
Let it fall back down

Giving more than she can spare
Endless thoughts will follow
In this house is hurt for a kid
Let it fall back down
Let it fall back down

You're too cruel
Too receptive
You're deceptive
I'm frail

Spin in a landslide
On her bad side
My tail

Sell my possessions
The concession..
Of A Male

Two weeks on the lows and highs
Ten more then they'll hollow
She wants something locked inside
Let it fall back down
Let it fall back down

You're too cruel
Too receptive
You're deceptive
I'm frail

Spin in a landslide
On her bad side
My tail

Sell my possessions
The concession..
Of A Male

Frail
Frail
Frail

Give in on both sides
Grab the handle
Turn it around clockwise
Let it fall back down
Let it fall back down
What was green is brown
Let it fall back down
