

# Pollyanna, Grover Washington

Look at my home  
It's a mess  
Play with my dog  
&quot;Confidence&quot;

You can stay here  
All you like  
You can play dead  
I'm down in five

I can see it all around  
I can see it all  
I can see it all around

Get that back now  
Get that back now  
Get that back now  
Get that back now

Look at my dog  
He's a joke  
You could stay here  
With my folks

You could lay down  
On my couch  
You could bring it  
I'm down and out

I can see it all around  
I can see it all  
I can see it all around

Get that back now  
Get that back now  
Get that back now  
Get that back now

It's alright  
I'm down in five  
And what you said...  
Get that back now  
Get that back now  
Get that back now  
Get that back now

It's alright  
I'm down in five  
And what you said  
I'm left for dead
