

Pollyanna, Kiss My Sister

Son of mine
Son of mine
Giving me a feeling for
Son of mine

All I can give
She's where I live

Son of mine
Son of mine
Giving me a feeling for
Son of mine

All I can find
Pages of rhyme

Inside my soul
I'll take you home
Twelve miles from you
Sure feels like two

Son of mine
Son of mine
Giving me a feeling for
Son of mine

All I can give
She's where I live

Inside my soul
I'll take you home
Twelve miles from you
Sure feels like two
