

Pollyanna, Pale Grey Eyes

I'll see then I'll know
I'll break you bone by bone
I'll crawl, then I'll watch
I'll bring you down a notch
I'll see, then I'm told
I'm worth my weight in gold

Batter Up

In I'll go
Underneath the rail I'll sow
I'll get wise
Underneath the pale grey eyes

Here I'll stay
Fortnights pay
I'll get wise
Pale grey eyes

I'll see then I'll know
I'll break you bone by bone
I'll crawl, then I'll watch
I'll bring you down a notch
I'll see then I'm told
I'm worth my weight in gold

In I'll go
Underneath the rail I'll sow
I'll get wise
Underneath the pale grey eyes

Here I'll stay
Fortnights pay
I'll get wise
Pale grey eyes

Get it all
Get it all and less let downs
Get it all
Get it all and less let downs
Get it all
Get it all and less let downs
Get it all
Get it all and less let downs

Pale Grey Eyes
