

# Polo G, Lil Wayne, GANG GANG

So used to tchem grey clouds  
I might fuck around  
Drop the top in the rain  
For the squad  
We don't play around  
We'll lay 'em down  
Hit his top close range

He just pretend  
He not with the gang  
Member back then  
That's an opp  
What he baneged  
Runnin' form jakes  
Block hot like i am wayne  
Spend a quarter mill' on the watch  
And the chain

I am just tryna put a lock on the game  
Hot shit from this glock when ut flames  
Yeah /3x!
