

# Pomeranz David, Got To Believe In Magic

Take me to your heart  
Show me where to start  
Let me play the part  
Of your first love  
All the stars are right  
Every wish is ours to make  
My love  
Got to believe in magic  
Tell me how 2 people find each other  
In a world that's full of strangers  
Got to believe in magic  
Somethings stronger than than the moon above  
'Coz it's magic when 2 people fall in love  
Pity those who wait  
Trust in love to fate  
Finding out too late  
That they've lost it  
Never letting go  
They will never know  
The ways of love
