

# Pony Pants, Sexual Pickle

so much love, so little time  
today, kids like me are a dime a dozen  
it's like crushin' on your second cousin  
it's not fair  
life's so unfair

fuck! i'm in a sexual pickle  
oh why is fate so fierce and fickle  
fuck! this is so ridiculous  
spontaneously combust  
like a crowded chinatown bus  
and i'm outta here  
oh, i'm so outta here

love triangles, love quadrangles  
a drag queen with her legs so tangled  
a drag king with his newfangled sexuality  
what will he do to me?  
what will she do with me?

fuck! i'm in a sexual pickle  
oh why is fate so fierce and fickle  
fuck! this is so ridiculous  
spontaneously combust  
like a crowded chinatown bus  
and i'm outta here  
oh, i'm so outta here

and \*\* is taking my body  
\*\* \*\* (muffled by next line overdub)  
oh i'm so outta here
