

# Poo Bear, Work For It (ft. Justin Bieber & Tyga)

I'mma make you work for it  
I'mma make you work  
I'mma make you work for it  
I'mma make you work  
I'mma make you sweat for it  
That good kinda hurt  
I'mma make you work for it  
I'mma make you work

You wanna turn me on  
Wanna make me scream your name  
You wanna be in full control  
You don't want me to maintain  
Who do you think you are?  
Acting like you're in charge  
And that's the main to me  
Thinking that I don't go hard

I'mma make you work for it  
I'mma make you work  
I'mma make you work for it  
I'mma make you work  
I'mma make you sweat for it  
That good kinda hurt  
I'mma make you work for it  
I'mma make you work

Looks like the tables turned  
Did you wanna tap out  
My theory's been confirmed  
I can tell by the sound  
You wanna take a break  
Cause i took your breath away  
What happened to all that talk?  
Now you ain't got nothing to say

I'mma make you work for it  
I'mma make you work  
I'mma make you work for it  
I'mma make you work  
I'mma make you sweat for it (imma make you sweat)  
That good kinda hurt  
I'mma make you work for it (imma make you work for it)  
I'mma make you work

Watchu' bout 5'5'  
You dont work no 9 to 5  
Girl like you probably seen on a movie screen and gave engagement rings damn you fine  
That ass though make all the time  
Been busy you know how i grind  
Pull up I'mma slide aside, late night, spend the night  
Fuck it, bath soap, bare silk  
Sheets match my fur pillows  
Cop a feel, feel good, you know it's real  
High up, it's the high life  
Play it real, check my high lights  
Keep your heals on, we high sight  
Handcuffs, throw them sex dice  
Sex, right  
Love love tonight  
Gotta whole list of things to do, do to you, if it's alright?  
Alright, sup miss if you can beg for it  
Go on beg for it, spread your legs  
Get ready for it (get ready for it)

Pleased to make love  
Yeah, get ready for it  
See beg for it  
Early morning, early morning  
Better be careful, who you fucking with
