

Pooh, Memories

"Like the time in school when we got an A
and the cool kids beat are ass.
Like the time that bitch broke up with me cause
I stopped doin drugs.

I wish I could just forget all these bad memories but
they always come back in my mind to bring me down.

Like the time I got kicked out of school cause I wasn't
cool enough.
Like the time I was put up for adoption to end my familys
misery.

I wish I could just forget all these bad memories but
they always come back in my mind to bring me down(2x's)

I hate my memories!"
