

# Poop, Why?

Why don't I see the light?  
Why do I just cause more...  
fight-ing...  
fight-ing...  
I know i'm special  
But what does that matter?

Sometimes, I cry  
The blackest tears  
And I fall into you  
Despite all of their cheers  
And I cry...  
I cry...  
Why?

Wrap me in your darkness  
And we will sing a song...  
We'll thing of everything  
Beyond the, beyond the horizon...  
But, why?  
Why...

Sometimes, I cry  
The blackest tears  
And I fall into you  
Despite all of their cheers  
And I cry...  
I cry...  
Why?

Why?(x10)  
I know...  
The truth.
