

Poor Jim, Keep The Fillet

when i was younger i thought
it's easy to be different
but my friends they said
you can't keep the fillet

you climb the ladder fast
you don't want to be the last
it's so easy to fall down
but you just can't see how

i know i could be more like them
commonness doesn't make sense
i'm defenseless

life is a game you always say
with your own rules you play
i'm defenseless

nowadays I am aware
i am wrong in many ways
makes me feel you are so right
when you call me names

you live without a face
a life in a briefcase
with a plastic personality
who are you to teach me?

i know i could be more like them
commonness doesn't make sense
i'm defenseless

life is a game you always say
with your own rules you play
i'm defenseless

i know i could be more like them
commonness doesn't make sense
i'm defenseless

life is a game you always say
with your own rules you play
i'm defenseless

i know i could be more like them
commonness doesn't make sense
i'm defenseless

life is a game you always say
with your own rules you play
i'm defenseless
