We've already touched on the lyrical content, I suppose. The dominant concept in this song, as the

so it seized me
so it grieves me
grabs me everyday

will it bleed thru?
does it burn you?
got to take us ever low

take, us, take us ever low
no, other, no other chance i know

am i thinking?
am i drinking?
wrapped in me today

so you're scheming
still you're dreaming
all you have and plan you fail

all, you, all you have you fail
i, put, i put my life up for sale

cause i am no good
(i am no good)
i am no one
(i am no one)
no, i am no good

leave it all down
i give all now
full of earth, i agree

does it create?
like a headache?
got you on your hands and knees

on, your, on your hands and knees
now, i, now i fall in need

cause i am no good
(i am no good)
i am no one
(i am no one)
no, i am no good
(i am no good)
cause i am no good
(i am no good)
i am no one
(i am no one)
no, i am no good

now, i, now i fall indeed
