

# Poor Old Lu, I Am No Good

This song offended some. Not the music, of course, but the title and lyrics. The notion of "I Am

We've already touched on the lyrical content, I suppose. The dominant concept in this song, as the

so it seized me  
so it grieves me  
grabs me everyday

will it bleed thru?  
does it burn you?  
got to take us ever low

take, us, take us ever low  
no, other, no other chance i know

am i thinking?  
am i drinking?  
wrapped in me today

so you're scheming  
still you're dreaming  
all you have and plan you fail

all, you, all you have you fail  
i, put, i put my life up for sale

cause i am no good  
(i am no good)  
i am no one  
(i am no one)  
no, i am no good

leave it all down  
i give all now  
full of earth, i agree

does it create?  
like a headache?  
got you on your hands and knees

on, your, on your hands and knees  
now, i, now i fall in need

cause i am no good  
(i am no good)  
i am no one  
(i am no one)  
no, i am no good  
(i am no good)  
cause i am no good  
(i am no good)  
i am no one  
(i am no one)  
no, i am no good

now, i, now i fall indeed
