

Pop Will Eat Itself, Monogamy

I just want somebody to love me
I just want somebody to care
I just want somebody to love me
I just want somebody to care
Oh, monogamy (x2)
I just want somebody to ** me
I just want somebody to **
I just want somebody to take me home
And to do the things that lovers should do
Oh, monogamy (x2)
To never leave you is my ambition
To never leave you is my ambition
To never leave you is my ambition
My ambition...
