

Popa Chubby, Lookin' Back

I was walking down the street
A pretty girl I've chanced to meet
She was lookin' oh ! so sweet...
Little angel fall ??

I was lookin' back to see
If she was lookin' back to see
If I was lookin' back at her

I guess you were a beautiful child
You got a beautiful smile
??? like a rose
God I love your ???

I was lookin' back to see
If she was lookin' back to see
If I was lookin' back at her

I guess you were a beautiful child
Sure you got a beautiful smile
??? like a rose
God I love your ???

I was lookin' back to see
If she was lookin' back to see
If I was lookin' back at her

I was lookin' back to see
If she was lookin' back to see
If I was lookin' back at her

I was lookin' back to see
If she was lookin' back to see
If I was lookin' back at her
