

Popes Smoking, Need You Around

If i could see
into your heart
then would i know
just where to start
cuz i'm lost
and i need to be found
crazy as it sounds
i need you around

if i could stand
to be on my own
then i would probably
just leave you alone

but i'm gonna feel this way
'til i'm six feet underground
crazy as it sounds
i need you around

turning
tossing and turning
my love is burning me down

if i could change
one thing in this world
i'd change your mind
and make you my girl

cuz i'm lost
and i need to be found
crazy as it sounds
i need you around

i'm gonna feel this way
til i'm six feet underground
crazy as it sounds
i need you around (4x)
