

# Poppy, ZIG

When you zig, I zag  
When you take, I grab  
When you nod, I shake  
While you're sleepin', I'm awake, I'm awake  
When you cry, I laugh  
You subtract, I add  
When you drop, I catch  
When you bend, I snap  
When you zig, I zag

When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag

Ultimatum, domination to succumb or suffer  
You could touch her, break the structure if only you were tougher  
Bowin' down just to conform to rules you made to serve you  
Demand subservience, live under your influence, so that's what I won't do

When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag

When you zig, I zag  
When you take, I grab  
When you nod, I shake  
While you're sleepin', I'm awake, I'm awake  
I'm awake, I'm awake, I'm awake, I'm awake  
I'm awake, I'm awake, I'm awake, I'm awake

When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag  
When you zig, I zag, when you zig, I zag  
I zigzag
